

Thanking police officers

It's an honour for me to thank the police officers who dedicate their life for safeguarding the innocent citizens.

It thank the night police officer who always have a eye on cabs buses that is on night shifts for the safety of women.

Heart fully thanking the police who do all for little pay. Thanks for safeguarding the women who are alone in home day night.

Thanks for protecting little children. Thanks for securing our beloved ministers. Thanks for protecting our celebrities.

I would love thank that brave souls who get in between the fights and solve the

problem. Thank you for consoling the parents family of accident victims.

Thanks for the traffic police who stand the whole day for security safety of al the citizens.

Thanks for controlling traffic and making the easy ways for the travellers.

Last but not the least I would like tothank and respectwhole team police for giving their for the people of our country.

Thank you

A beloved citizen
