

Dear Chef,

Thank you for making the most sumptuous dishes on time and whetting our appetite. Thank you for giving us the joy of tasting some of the best food available and giving us a genuine feeling of satisfaction and contentment. Whether it be a spicy Samosa or a sweet Lassi, whether it be a plate of finger licking Butter Chicken or a platter of orgasmic Biryani, we have always relished the opportunity to eat them. We thank you for giving us the opportunity to come with our family, relatives, friends, business partners, office colleagues and taste the mouth-watering variety of Indian cuisine that we can explore. We also thank you for not only providing us the best of the desi cuisine but also lip smacking items from around the world including the likes of exotic Lebanese, Cheesy Continental, Spicy Mexican, tasty Chinese and topical American dishes! Thank you for maintaining the highest quality in your dishes and providing us an out-of-the world experience. Thank you for not just the appetisers, the starters and the main course but also the eclectic mix of beverages on offer that supplement with the choice of cuisine. Thank you for taking care of our every need by customising to our cravings and satisfying every single taste bud.

We, finally thank you for everything you do by delighting our appetite and providing an unforgettable experience.

With respect,

Student.
