

1. Dear Soldier,

Thank you for choosing to serve your country above all the other thousands of career options that you could've chosen instead. Thank you for your hard work, dedication, perseverance and patriotism towards this country. You chose to sacrifice all your worldly pleasures and serve the people just so that we remain safe and sound. You chose to stay up all night – working, just so that we sleep in peace. You chose to sacrifice the joy of celebrating festivals along with your family just so that we celebrate our festivals well. But among all of these huge sacrifices that you've made, the one that stands above all is the fact that you chose to live for the country and chose to die for the country as well.

So I thank you for everything that you've done, the choices that you've made and the hard work that comes along with it.

Thank you for being our nation's pride.

With Respect,

A Grateful Citizen.
