

Gratitude letters

Dear teacher,

You are a wonderful teacher, and this is just an expression to show how inspired and grateful I am to have a teacher like you.

I want to thank you for everything from holding the pencil to teaching me everything so efficiently all the time, without making us feel any tension or stressed about the studies, you made it fun for me.

I want to thank you for explaining things again and again, till my doubt got clarified and for not getting irritated.

I want to thank you for teaching me what is good and what is bad, and pulled me towards the right track if I was wrong. Even though u was harsh sometimes but it was for our good.

I want to thank you for being there with me at times when I needed you, and helped me grow to the person that I am now.

Not only you made me a good student, you made me a good person.

I know, I can't thank you enough.

Thank you, for inspiring me.

Yours truly

Student
