

Dear Carpenter,

Thank you for building beautiful furniture and making our home look attractive than before.

Thank you for providing the furniture on time with thoroughly skilled work.

Thank you for using not only your physical strength but also your creativity in building the best furniture, which is more beautiful than what is imagined with awesome finishing.

Thank you for making durable furniture that lasts long and stays strong and classy, giving us less need to buy a new one.

Thank you for making furniture for poor people as well who need it more than us and promising the durability.

Thank you for keeping the age of the children in mind while building furniture for them.

Thank you for making a place even more attractive, I am thanking you for your hard work and skills.

With respect,

A proud customer.

THANK YOU-CARPENTER

Dear Carpenter,

Thanks a lot for serving us well. We are really very proud to have workers like you. Your honesty and willingness to work cannot be admired in words. Thanks for making luxurious and royale furnishings for us. We are grateful that you have been very punctual and dedicated for you work. Your honesty and sincerity as a person cannot be forgotten. The quality of wood used b you is so beautiful that no one can pass without admiring it. You have also worked in times when you were ill and lever lost hope. I present my heartiest thanks for what all you have done for us by sparing your valuable time and efforts. I wish and pray that you live a healthy and wealthy life. Please remember me whenever in need and take care of you and your family.
