

# **Thank you- athlete:**

Dear athlete,

I'm writing this letter is to thank you.

I'm one of the person, who had watched your game. I'm fully impressed with your game. Your game clearly shows your zeal and passion towards sports. The hard work you did and the technics you have used in your game mesmerises everyone in the stadium. Being an athlete is not an easy job, you have came across many sacrifices and negative comments from your surroundings. Over coming all those you are here now.

Commitment and willpower you have towards your goals, made our country to stand in the top position in the world. Being a citizen of my country I want to thank you for making the people of our country to feel proud. Today your game clearly teaches others that we are not less than anyone else. You did a national duty by serving our country with pride and almost respect.

Thank you for being an athlete.

Thank you for making us proud.

You are a hero.

With respect

From a patriot.
