

Thank You- Mayor

Dear Mayor,

Being a Mayor brings a lot of responsibilities and I thank you for choosing to be one.

Thank you for being there for the city at times of adversities.

Thank you for taking up all the responsibilities that come with the job and carrying them out with such efficiency.

Thank you for enforcing law and order in the city and making sure every citizen gets justice and is given equal and fair rights.

Thank you for keeping the city away from chaos and making our lives much easier and blissful.

Thank you for ensuring the safety of the citizens and being a great decision-maker.

Thank you for being our voice and attending to all our needs in time.

I thank you for being such a great administrator and a leader of great calibre.

I soulfully thank you for choosing to be a Mayor- a position of great responsibility and less appreciation; even when you had many other easier choices.
